**Christian Academy**  
*a ministry of new life church*

Dear Parents,

Rearing children in today's society is certainly an awesome challenge. It has become increasingly difficult to transfer traditional values of God, country, and family to our children as society continues to send messages and images that contradict those hallowed principles. New Bern Christian Academy is committed to helping Christian families reinforce Biblical values in the hearts and minds of godly young people.

By choosing NBCA for your family's educational needs, you have demonstrated a commitment to "training up your child" with God at the center of their education. You have indicated a willingness to sacrifice for the good of your family, and by this you are setting a priority that shows your desire to rear a young future leader who cares about the things of God.

We take seriously the trust that you have placed in us. We recognize that you, as parents, are the ultimate authority, as designed by God, in your homes. We will be praying for you as we recognize the role parents play in a well-rounded education for your children. NBCA simply exists to come along side each home to assist in the educational and spiritual development of these precious young people.

No education is complete without spiritual instruction. It is our hope that you are active in a strong, Bible-preaching church that supports the family. Without this important facet, any family's effort at a complete education will fall short. If you do not have a church home, I hope you will consider visiting the sponsoring church of New Bern Christian Academy. New Life Church remains committed to the values and principles found in God's Word and their effect on our home, school, and lives.

May God bless you and your family in the coming year.
