

## You are invited to become an inaugural member of our NBCA Mustang Club!

**What is the Mustang Club?** The Mustang club is composed of businesses, community members, churches, and families coming together for the purpose of supporting specific school activities for the benefit of students in areas such as: athletic teams, musical groups, or other extra-curricular programs.

**Why support NBCA through the Mustang Club?** NBCA is worthy of the financial support of donors because of the purpose that drives everything that we do as a school and ministry. New Bern Christian Academy exists as a ministry of New Life Church for the purpose of educating the minds of every young person with excellence while striving to cultivate in their hearts a passion for the Lord Jesus Christ and His work. These objectives are accomplished by providing quality spiritual, academic, and social activities that encourage young people to achieve their individual best for the Glory of God. Coming along side the ministry of NBCA with your financial gifts allows us to achieve these goals effectively. Any contribution is also a tax deduction!

**Who can join?** ANYONE! We offer three levels that make being a part of this special group affordable for many business, clubs, churches, and families.

**How to sign up or get more information?** Contact the school office!
