Withdrawal Policy

Recognizing that there may be a necessity from time to time for a student to be withdrawn from New Bern Christian Academy, the following provisions have been adopted by the board:

1. Tuition for the current month is due on the first day of that month. If a student must withdraw during that month, a refund is not due except for military or job-related transfers. The current months tuition payment will be pro-rated on the basis of the actual number of days the student is in attendance. The balance, if any, will be refunded.
2. When the withdrawal is prompted by a cause other than military or job-related transfer, such as parental desire or disciplinary action, no refund of current tuition will be made. A fee of \$500.00 will be charged for early withdrawal.
3. If tuition payment is due, but has not been paid, it is considered a legitimate financial responsibility of the parents and must be paid before the records of the withdrawn student may be released.
